## DISC GOLF COURSE

Our brand new, 9-hole Disc Golf Course is scheduled to open July 1<sup>st</sup>. The course will be open to the public from dawn-dusk and is free to residents & non-residents alike.

Disc golf is played much like traditional golf. Instead of a ball and clubs, however, players use a flying disc, or Frisbee. Disc golf can be played from school age to old age. Because disc golf is so easy to learn, no one is excluded. Players merely match their pace to their capabilities, and proceed from there.

**More information will be available on our website as the opening date approaches.**

## HOW TO WATCH A GOOD PROGRAM DIE

Nothing kills a recreation program faster than residents who wait until the last minute to register. There is a point when a program must be canceled or modified if there is insufficient registration. All programs require a high level of coordination, often including facility scheduling, staffing, volunteer recruitment and purchasing of supplies. In order for us to host quality sports programs, special events, and classes **please keep an eye out for deadlines and cut off dates.**

**WE REQUEST THAT YOU REGISTER FOR ACTIVITIES AT LEAST TWO WEEKS PRIOR TO THE PROGRAM START DATE.**

**UNLESS OTHERWISE NOTED.**

**DON'T LET A GOOD PROGRAM FAIL.**
